My Dear Brothers,

Greetings in the spirit of Brotherly Love, Relief, and Truth.

It is with profound humility, sincere gratitude, and an unwavering commitment to our beloved Craft that I accept the honor of serving as your Most Worshipful Grand Master. I thank each of you for the confidence you have placed in me, and I pledge to lead this Jurisdiction with integrity, transparency, and servant leadership.

As your Grand Master, I envision a Jurisdiction where every Lodge is thriving, every Brother is engaged, every new Mason is mentored, every community knows who Prince Hall Masons are because of our service, and every member takes pride in wearing the Square and Compasses.

I believe we can achieve this vision—but only if we do it together.

It takes committed officers.
Dedicated Worshipful Masters.
Engaged members.
Supportive families.
Strong partnerships with our Eastern Star Sisters.

As we move forward, let us lay aside personal differences and unite around our common purpose. Let us choose collaboration over division, service over self-interest, and unity over discord.

Our greatest legacy will not be measured by the titles we held, but by the lives we touched, the children we mentored, the communities we serve, and the example we left for those who follow.

As we begin this new Masonic year, I ask every Brother to embrace our theme:

Reconnect & Recommit

Now is the time to reconnect—with our Brothers, our Lodges, our communities, and the principles that first brought us to the Altar of Masonry.

Now is the time to recommit ourselves to excellence by strengthening our relationships with our Sisters, improving attendance, enhancing mentorship, developing leadership, expanding charity, and increasing service. We must renew our dedication to becoming better men so that our Lodges become stronger, our communities become better served, and our legacy remains secure.

OFFICE OF THE 32nd MOST WORSHIPFUL GRAND MASTER

During this administration, our priorities will include:

- Strengthening communication throughout the Jurisdiction.
- Increasing membership engagement and Lodge attendance.
- Promoting ritualistic excellence and Masonic education.
- Mentoring newly raised Master Masons and developing future leaders.
- Expanding meaningful community service throughout Delaware.
- Supporting our youth organizations and appendant bodies.
- Promoting accountability, unity, and transparency.

Every Brother has value.

Every Lodge has purpose.

Every act of service strengthens our Fraternity.

The future of Prince Hall Masonry in Delaware will not be determined by one officer or one Lodge—it will be determined by all of us working together with one heart, one vision, and one purpose.

As we reconnect with one another and recommit ourselves to the timeless principles of Prince Hall Masonry, we honor the sacrifices of those who came before us while ensuring that future generations inherit an even stronger Fraternity.

I ask each Brother to stand with me. Let us labor together, support one another, and demonstrate through our actions that Prince Hall Masonry remains a powerful force for good throughout the State of Delaware.

May the Great Architect of the Universe continue to bless each of you, your families, your Lodges, your Chapters, and this Grand Lodge.

Together, let us reconnect, recommit, and continue building a legacy worthy of those who came before us and inspiring to those who will follow.

Thank you, and may God bless Prince Hall Masonry.

Fraternally,

Vandrick R. Hamlin Jr.
